

## Call for Book Reviewers

CPI invites potential book reviewers who will prepare one of two types of book reviews:

- A somewhat, long review between 1000-1200 words.
- A précis of approximately 500-750 words.

Each reviewer will be instructed concerning the type of review expected, and given general CPI book review guidelines.

**Potential reviewers:** If you wish to write a CPI Book Review, please send an email to [CPI.Book.Review@gmail.com](mailto:CPI.Book.Review@gmail.com) with the following **letter of interest**:

1. Your name and academic affiliation.
2. Your current land address (to which the book will be mailed).
3. Your email address, telephone number &/or skype address.
4. A professional biography which states: (i) your academic qualifications; (ii) current academic position; (iii) relevant information which includes: current academic &/or professional interests, previous scholarship, recent publications; (iv) reasons for wanting to write a book review.
5. If possible, suggestions regarding, either recently published or, forthcoming books (in Canada and internationally) that you think are suitable and warrant review.

**CPI Timelines:** We intend to publish one or two book reviews per issue. Within 3 months, the Book Review committee will select and obtain some of the books to be obtained from Canadian and international publishers.

### **First book review(s) to be published in the Summer 2018, CPI issue.**

The process of screening potential reviewers, obtaining and submitting books to reviewers is continuous. **We encourage you to submit your letter of interest, as soon as possible.**

**Reviewers Timelines:** Book Review(s) to be submitted to the Book Review Editor, within 4-6 weeks, after receipt of the book.

Thank you for your interest. I look forward to working with you.
