Canadian Studies in Population (CSP) is indexed in the *Web of Science*, the largest and most comprehensive citation index available. All articles published in *CSP* since 2009 are indexed and abstracted in the Social Sciences Citation Index, Journal Citation Reports/Social Sciences Edition, and in Current Contents/Social and Behavioral Sciences.

CSP is hosted online by the University of Alberta Libraries at journals.library.ualberta.ca/csp, with links posted on the CPS website at www.canpopsoc.ca/publications/journal.

Canadian Studies in Population was founded by Dr. P. Krishnan, Professor Emeritus at the University of Alberta, and is published with the support of the Society of Edmonton Demographers, the Canadian Population Society, and the Department of Sociology, University of Alberta.

Funding for *Canadian Studies in Population* is provided by the Social Sciences and Humanities Research Council of Canada (SSHRC).
