Evidence Based Library and Information Practice (EBLIP) is seeking a Production Editor to join its Editorial Team.

The Production Editor is responsible for the publishing function of the journal, including manuscript layout and formatting of content.

The ideal candidate will be able to work within short deadlines and dedicate focused time on issue production according to a set schedule. Solid knowledge of MS Word, Adobe Acrobat and basic HTML coding is

essential as well as a demonstrated aptitude and comfort working in an online environment. This is an unpaid position.

Interested persons should send their resumes by **October 1, 2007**, to:
