

CHAPTER HIGHLIGHTS / FAITS SAILLANTS DES CHAPITRES**Northern Alberta Health Libraries Association**

Many of members of the Northern Alberta Health Libraries Association (NAHLA) attended and enjoyed the 2010 Canadian Health Libraries Association conference in Kingston, Ontario. In July, NAHLA organized a Zumba class (a cross between salsa dance and hip hop) as a fun summer social event. The annual general meeting was held on 21 September 2010. NAHLA is very happy to welcome two new members to our executive; Xurong (Rachel) Zhao, of Glenrose Rehabilitation Hospital Library, is the Vice

President; and Morgan Truax, of the Canadian Patient Safety Institute, is our new treasurer.
